

ATE Projects by State

State	Lead Institution	Project Name	Project Focus	Page Number
AL	Jefferson State Community College	Manufacturing Technology Program for North Central Alabama	Manufacturing Technology	105
AZ	Arizona State University, Polytechnic Campus	Arizona–Texas Consortium for Alternative and Renewable Energy Technologies (ATCARET)	Energy Technology	48
AZ	Maricopa County Community College District	Work-Ready Electronics	Manufacturing Technology	109
CA	Southwestern College	Biotechnology Education and Training Sequence Investment (BETSI)	Biotechnology	30
CA	Ohlone College	Learning Alliance for Bioscience (LAB)	Biotechnology	36
CA	Cabrillo College	Digital Bridge Academy	Pathways to Technology	16
CA	Riverside Community College District	Close the Gap	Pathways to Technology	15
CA	Laney College	Environmental Control Technology (ECT) Education for Advanced Building Operation and Management	Energy Technology	51
CA	Coastline Community College	C-SPIRIT: Coastline–Seamless Articulation Program for Informatics Recruitment and Intersegmental Transfer	Information Technology	87
CA	Evergreen Valley College	Model Curriculum For Civil Engineering Technology	Engineering Technology	63
CA	Film Arts Foundation	Microelectromechanical Systems (MEMS), Nanotechnology, and the <i>Silicon Run Series</i> , <i>Silicon Run Implantation Video</i>	Manufacturing Technology	106
CA	City College of San Francisco	Institute for Convergence of Optical and Network Systems (ICONS)	Information Technology	92
CA	Saddleback College	Rapid Prototyping Instructional Delivery Support	Manufacturing Technology	108
CA	University of California, Davis	Partnership for Plant Geonomics Education (PPGE)	Biotechnology	38
CA	San Diego Mesa College	A Scalable Skills Certification Program in Geographic Information Systems	Geographic Information Systems & Geospatial Technology	70
CO	Western Colorado Community College	Integrated Learning Systems: A Model Approach	Pathways to Technology	18
CO	Red Rocks Community College	Technical Education Pathways Project (TEPP)	Pathways to Technology	22
CT	Connecticut Business and Industry Association	Collaborative Industry/Community College System ATE Professional Development Project	Manufacturing Technology	101
CT	Three Rivers Community College	Project TLC (Technology Learning Community)	Pathways to Technology	19
CT	Norwalk Community College	Computer Security and Data Assurance Associate Degree Program	Information Assurance, Secure Logistics & Forensics Technology	78
DC	Carnegie Institution of Washington	DC Biotech	Biotechnology	33
FL	St. Petersburg College	Medical Device Industry Education Consortium (MDIEC)	Engineering Technology	62
GA	Athens Technical Institute	Contextual Laboratory Curriculum for Chemistry and Technology (C ₃ T)	Chemical & Process Technology	45
HI	University of Hawaii, Hawaii Community College	Tropical Forest Ecosystem and Agroforestry Management (Forest TEAM)	Agricultural Technology, Marine Technology & Natural Resources	27
HI	University of Hawaii at Manoa	Partnership for Advanced Marine and Environmental Science Training for Pacific Islanders	Agricultural Technology, Marine Technology & Natural Resources	26
IA	Iowa State University	Integrating Low-Cost Virtual Reality into Design and Technical Graphics Curricula	Information Technology	93
IA	Kirkwood Community College	Terrorist Agent Control Technology (TIACT)	Information Assurance, Secure Logistics & Forensics Technology	83
ID	College of Southern Idaho	Linking Academic Information Technology (IT) to Workplaces in Rural Idaho	Information Technology	94
IL	Bradley University	Instrumentation and Data Acquisition Education	Manufacturing Technology	104
IL	Illinois Valley Community College	Embedding CQI Methodology in Two-Year College Technical Curricula	Engineering Technology	59
IN	Purdue University	Midwest Coalition for Comprehensive Design Education	Manufacturing Technology	107

State	Lead Institution	Project Name	Project Focus	Page Number
KY	Kentucky Community and Technical College System	Automotive Manufacturing Technical Education Collaborative (AMTEC)	Manufacturing Technology	100
KY	Murray State University	Agriculture Consortium for Comprehensive Educational Support and Service (Project ACCESS)	Agricultural Technology, Marine Technology & Natural Resources	24
MA	Concord Consortium	Molecular Literacy (Molit)	Biotechnology	37
MA	Cape Cod Community College	Southeastern Massachusetts ATE Project in Renewable Energy Education and Training	Energy Technology	54
MA	New England Board of Higher Education	PHOTON2	Engineering Technology	65
MD	Community College of Baltimore County	Grace Hopper Scholars Program (GHSP) in Math and Computer Science	Information Technology	91
MI	Macomb Community College	Development of a Hybrid Electric Vehicle Learning Environment	Engineering Technology	57
MN	Minneapolis Public Schools	International Food Science Academy of Minneapolis	Biotechnology	35
MN	Century College	Investigative Sciences and Law Enforcement Technologies (ISLET)	Information Assurance, Secure Logistics & Forensics Technology	82
MN	Normandale Community College	Technician Education Materials in Plasma Technology	Engineering Technology	67
MO	Missouri State University-West Plains	Viticulture and Enology Science and Technology Alliance (VESTA)	Agricultural Technology, Marine Technology & Natural Resources	28
MO	St. Louis Community College at Florissant Valley	Gateway to Manufacturing Excellence Project	Pathways to Technology	17
NC	University of North Carolina at Charlotte	DiET: Diversity in Engineering Technology	Engineering Technology	58
NC	University of North Carolina at Chapel Hill	Collaborative Learning Environment (CLE) for Secure Logistics	Information Assurance, Secure Logistics & Forensics Technology	77
NC	Robeson Community College	Robeson Regional Biotech Education Consortium (RRBEC)	Biotechnology	40
NC	Wake Technical Community College	Digital Interactive Entertainment and Simulation Technology	Information Technology	89
ND	Bismarck Public Schools	Engineering Technology Pathways (ETP)	Engineering Technology	60
ND	Bismarck State College	Electrical Transmission Systems Technology Program (ETST)	Energy Technology	49
ND	Bismarck State College	Online Degree Program: Nuclear Power Technology	Energy Technology	52
NE	Northeast Community College	Technology Academies of Northeast Nebraska (TANN)	Information Technology	96
NJ	Raritan Valley Community College	Quality Matters: Advancing the Biotechnology Program at Raritan Valley Community College	Biotechnology	39
NY	Hobart and William Smith Colleges	The Finger Lakes GIT Ahead Project: Creating Career Paths for Geospatial Technology Professionals Through Teacher Enhancement and Student Engagement (GIT Ahead)	Geographic Information Systems & Geospatial Technology	74
NY	Queensborough Community College	Remote Laboratories and Distance Learning for Technician Training	Engineering Technology	66
NY	Borough of Manhattan Community College	ATE Partnership in Cybersecurity and Information Assurance	Information Assurance, Secure Logistics & Forensics Technology	76
NY	Bronx Community College	Energy Services and Technology (EST) Program	Energy Technology	50
NY	Erie Community College	Information Systems Security (ISS) Curriculum Development	Information Assurance, Secure Logistics & Forensics Technology	81
NY	Bronx Community College	Bronx Community College Pharmaceutical Manufacturing Technology Program	Chemical & Process Technology	44
NY	Rochester Institute of Technology	Deaf Initiative in Information Technology (DIIT) and Deaf Initiative in Information Technology II (DIIT II)	Information Technology	88
OH	Lorain County Community College	Collaborative Project for the Preparation of the 21st Century Welding and Materials Joining Technician	Manufacturing Technology	102
OH	Edison State Community College	A National Model for Integrated Partnerships in Engineering Technology	Engineering Technology	56

ATE Projects by State

State	Lead Institution	Project Name	Project Focus	Page Number
OH	Sinclair Community College	Faculty Seminar Series on Collaborative Design Communications and Rapid Prototyping	Manufacturing Technology	103
OH	Cuyahoga Community College, Metropolitan Campus	Robotics Corridor Collaborative	Pathways to Technology	21
OR	Lane Community College	Mapping, Analyzing, and Problem Solving Using Geographic Information Science (MAPS GIS): Implementing a GIS Curriculum for Technical Literacy	Geographic Information Systems & Geospatial Technology	73
OR	Oregon Coast Community College	Aquarium Technology and Marine Interpretation	Agricultural Technology, Marine Technology & Natural Resources	25
PA	Pennsylvania State System of Higher Education	Advanced Manufacturing: Establishing Foundations for Education and Career Pathways from Middle School Through College	Pathways to Technology	14
PR	University of Puerto Rico at Arecibo	Curricular and Professional Development Activities to Support an Associate Degree in Biotechnology Operations	Biotechnology	32
SC	Greenville Technical College	Integrating Asynchronous Technology and Virtual Reality to Support an Education in Aircraft Maintenance Technology	Engineering Technology	61
TN	Nashville State Community College	The Case Files	Information Technology	97
TX	Del Mar College	Cyber Security and Computer Forensics	Information Assurance, Secure Logistics & Forensics Technology	80
TX	Houston Community College-Northeast	Gulf Coast—Technology Articulation Partnership (GC-TAP)	Chemical & Process Technology	46
TX	Tarrant County College	National Center for Aircraft Technician Training (NCATT)	Engineering Technology	64
TX	Del Mar College	Geographic Information System Technology Implementation Project (GIS-TECH)	Geographic Information Systems & Geospatial Technology	71
UT	Salt Lake Community College	SLCC Contract Research Organization for Biotechnology	Biotechnology	41
VA	Tidewater Community College	Virginia Advanced Technology Education Demonstration Project	Engineering Technology	68
VA	Central Virginia Community College	Priming the Pipeline	Energy Technology	53
VA	Mountain Empire Community College	Integrating GIS in Technologies Curricula	Geographic Information Systems & Geospatial Technology	72
VA	Radford University	Advancing Careers in Information Science and Technology	Information Technology	86
WA	Tacoma Community College	Creation of Instructional Program in Secure Logistics Project	Information Assurance, Secure Logistics & Forensics Technology	79
WA	Spokane Community College	Biotechnology Education Infusion (BEI) Project	Biotechnology	31
WA	Edmonds Community College	Proven Practices for Recruiting Women to STEM Careers in ATE-Funded Programs	Pathways to Technology	20
WA	Edmonds Community College	SPRITE	Information Technology	95
WI	Madison Area Technical College	Intensive Postbaccalaureate Program in Biotechnology: A Bridge to the Biotechnology Workplace	Biotechnology	34
WV	West Virginia High Technology Consortium Foundation	Expanding Pathways for Educational Development and Information Technology Experiences (ExpEDITE)	Information Technology	90
